

**JISCR 14**  
**CONTROL OF COURT DATA ENTRY**

Entry of court data shall be accomplished on computer equipment managed and controlled by the courts. In exceptional instances where extreme care has been taken to ensure the integrity of the internal function of the courts, explicit approval may be obtained from the Supreme Court upon the recommendation of the Administrator for the Courts and the Judicial Information System Committee to utilize computer equipment not totally managed and controlled by the courts.

[Adopted effective May 15, 1976; September 1, 2025.]
