

JISCR 5
STANDARD DATA ELEMENTS

A standard court data element dictionary for the Judicial Information System shall be prepared and maintained by the Administrative Office of the Courts with the approval of the Judicial Information System Committee. A statewide data standard for locally operated, alternate electronic court record systems shall be prepared and maintained by the Administrative Office of the Courts with the approval of the Judicial Information System Committee. This data standard shall be consistent with the standard court data element dictionary and will identify data elements that are necessary for the operation of the Judicial Information System. Any modifications, additions, or deletions from the standard court data element dictionary or the data standard for locally operated, alternate court record systems must be reviewed and approved by the Judicial Information System Committee.
